What do we do?

At this camp, youth are provided with the opportunity to experience the outdoors in the winter. This camp provides education to various outdoor winter endeavors, as well as teaches the fundamentals of surviving and thriving in the outdoors at wintertime. The activities that are covered include the following: Ice fishing, emergency snow shelter building and snow shelter building, trapping, snow and ice safety and survival. Students also learn to be part of a team through activities and team building exercises.

What should I bring?
