Speaker's Corner: Scott has arranged for Bradley Peters from Alberta Lakes Water Management to speak at our October meeting. Many thanks to Dave Majeau on his interesting and informative presentation.

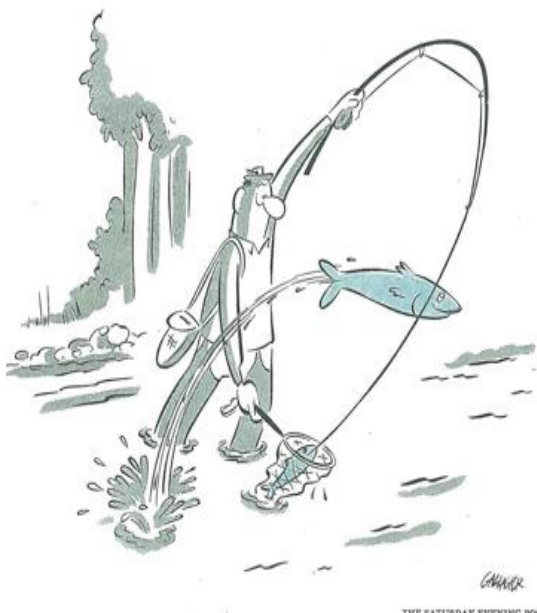

Workshops: The fly-tying workshops are continuing on Mondays at 1:00 PM at the Alberta Fish and Game Office basement, 6924 – 104 St. with Chuck Leacock and Drew Livingstone. During the last few sessions we tied the Woolly Worm and Doc Spratley. The Fishin' Hole gives EOTFC members a 10% discount when you present your current membership card. For more info, contact Drew or Chuck. The phone numbers are in the left column.

Fish and Game Update: Randy forwarded the fish surveys for the club members to provide feedback. It was on Walleye and pike harvests and on trout as well. There is a mobile app titled "**Should I Eat this Fish?**" created by the Alberta Environmental Public Health Information available in an Apple App or Google Play.

 It utilizes the information of public fish consumption advisories for Alberta waterbodies. (<http://mywildalberta.com/Fishing/SafetyProcedures/FishConsumptionAdvisory.aspx>).

Monthly Raffle:: The 50/50 was won by Jack Graham for \$45.00. Table draw winners were Ken Johnson, Jim Zenchysen, Bert Meeker, Henry Fedorowitz, Drew Livingstone, Moorthy Muldaller, Jim Rich, Chuck Leacock, Jan Kenyon, Lawrence Dolynchuk, Chris Greschuk. **Many thanks to Doreen Batterham for the ½ ton truck load of fishing equipment. There will be a table draw this month. We have enough donations for the table draw for a couple of months.**

For Sale: Jack Graham has a number of downrigger balls for sale for \$25 and a prop for a 20 to 25 hp Mercury outboard as well as a bumper jack and safety stands. Everything has to go... trailer, fishing rods and hooks, and a side by side rhino and other paraphernalia.
